

14. INTERNATIONAL SYMPOSIUM ON PSEUDOKARST ŚWIĘTOKRZYSKIE (HOLY CROSS) MOUNTAINS CENTRAL POLAND Chęciny 22-25.04.2021

COMMUNICATE

The term of the Symposium, postponed due to the pandemic situation, is moved to **22-25th April 2021**.

The objectives, organizational conditions and expected program of the Symposium will be very similar to proposed in the First Circular:

Thursday (22th April): arrival, walk to Chęciny town and castle,
Friday (23th April): scientific session, meeting of the UIS Pseudokarst Commission,
Saturday, Sunday (24-25th April): field sessions in the Świętokrzyskie Mountains,
26-28th April (Monday-Wednesday) – post-Symposium excursion in the Beskidy Mountains.

Since the pandemic situation is still dynamic, the Second Circular inviting and precisng all data on the Symposium will be distributed in October or November 2020.
